## Additional Information

Hi, my name is Vladislav, I`m 20 years old. I`m from small city in Donetsk region – Kramatorsk. Now I`m living in Lviv. I`m junior front-end developer.

I`m developing sites using HTML and CSS. Also I`m working with JavaScript and PHP, but I`m in the process of learning this technologies.

I develop adaptive sites for various devices: smartphones, tablets, large-format monitors.

I have good communications skills, so I quickly find understanding with a designer, colleague or client.
